**UNITED STATES DISTRICT COURT FOR THE DISTRICT OF NEVADA
UNITED STATES V. ALBERT SAMOA MAIFEA, 2:20CR00024**

SUMMARY IN SUPPORT OF PETITION FOR SUMMONS

June 11, 2020

On May 14, 2013, Mr. Maifea was sentenced in the District of Alaska by the Honorable Sharon L. Gleason, U.S. District Judge, to 84 months custody, followed by 60 months supervised release for committing the offenses of Drug Conspiracy and Distribution of a Controlled Substance. Mr. Maifea commenced supervision in the District of Nevada on July 19, 2019.

In a violation report sent to the District of Alaska dated January 7, 2020, the undersigned officer outlined a number of violations including failing to report as instructed, missing drug tests, drug and alcohol use, contact with an ex-felon/ documented gang member and lying to the undersigned officer. At that time, the probation office increased his treatment and drug testing frequency and continued him on his current conditions of supervised release.

In a modification request sent to Your Honor dated May 18, 2020, the undersigned outlined a number of violations including missed drug tests and positive drug tests/drug use. At that time, our office requested, and Your Honor ordered a condition for 120 days at the Residential Reentry Center.

On May 20, 2020, Maifea was instructed to report to the halfway house the following day to begin his 120 day stay. On May 22, 2020, the halfway house advised that Maifea never reported to their facility as instructed. The halfway house advised that Maifea had until 5:00 p.m. on May 22, 2020 to report or he would lose his bed. The undersigned officer made multiple attempts to contact Maifea via phone call, text message as well as via family members to no avail. Maifea never reported to the halfway house as instructed.

On May 26, 2020, Maifea contacted the undersigned officer and advised he was scared to report. He indicated he had not used any controlled substances and when asked where he was staying, he indicated he was "around." He stated that no friends or girlfriends were willing to help him anymore and he would fall asleep on busses. He noted he was back residing at his sister's home. He also reported he lost his job two weeks ago.

As indicated in this petition, Maifea has failed to show for numerous scheduled drug/alcohol tests. Additionally, Maifea has failed to show for scheduled treatment session. On June 9, 2020, Maifea was contacted to address his missed test on June 8, 2020. Maifea indicated that he was not calling the drug testing line because he was sick. When asked if he had used any drugs he stated no, but indicated he smoked "bud" which a nickname for marijuana. He stated he was cleaning in his backyard and found a "joint" it in the window- sill from a long time ago. When asked how he originally received it, he stated he did not know.

RE: Albert Samoa Maifea

Prob12C
D/NV Form
Rev. March 2017

In an effort to assist Maifea with his controlled substance addiction, the probation office increased his drug testing frequency as well as his frequency of treatment sessions. As a measure to bring him back into compliance, his conditions were modified to include up to 120 days at the halfway house (RRC) to provide him with the needed structure. However, he failed to report as instructed to the halfway house. Despite the efforts from his treatment provider, the probation office and his family, he continues to violate his conditions of supervision. He not only has accumulated violations of the drug testing program but several violations in other areas of supervision that indicate he is either unwilling or unable to abide by his conditions of supervision.

Based upon the offender's conduct detailed in this petition, the probation office recommends the issuance of a summons to initiate revocation proceedings.

Respectfully submitted,
